## *Saxons Furnish Opening Day Opposition For Three Teams This Year*

Alfred University provides the first test of the season tonight for the Cortland State Teachers College football team. This year, the Saxons have the unfortunate task of being the first opponent on the schedules of three teams, a definite "handicap" according to Head Football Coach Alex Yunevich. The Alfred-Ithaca game last week was the opening encounter for both teams. Tonight's contest is the first for Cortland. Next Saturday, the Saxons journey to Kings Point where they help the U. S. Merchant Marine Academy open their season.

All this means that Alfred must go into the first three games without the benefit of a single scouting report. The situation is unusual to say the least.

Cortland State, coached by Carl (Chugger) Davis, had only 13 lettermen reporting this year in a squad of 50 men invited to report for practice. Graduation wiped out almost the entire starting line and took half the backfield. Three regulars are back on the squad. They are Jim Sellars at center, Jack Radzavicz at halfback and Don Guido at fullback.

Last year, the Red Dragons compiled a 4-3 won-lost record. In their meeting with Alfred, the Saxons won 24-6.

On the AU side, Coach Yunevich has had trouble finding enough players to fill out three full teams. A meager 29 men reported on the first day of practice but the addition of freshmen and late-comers have increased the size of the squad to 36 players. Three of these men however, have suffered injuries which may handicap them the remainder of the season. In one instance, Bob McEnroe of Wellsville has been lost for the season due to a highway accident. He was destined for a starting role in the AU backfield. Ted Olsen of Jamestown suffered a broken hand and Don Kelley of Hornell was sidelined with an injured leg.

The Saxons have completed two undefeated and untied seasons in 1955 and 1956. From the starting lineup that compiled such a successful record last year, only End John Farnan of Glen Cove and Center Ed DeChristopher of Peekskill are on hand to resume the gridiron wars.

---

### *The AU Lineup for 1957*

Alfred University's probable starting line-up for tonight's game. In the line, left to right, are: John Farnan, Joe Yannuzzi, Nick Teta, Ed. DeChristopher, Bill McAlee, Bob Parke and Tom Cechini. In the backfield, left to right, are: Ted Olsen, Jim Hartnett, Ralph Talarico and Don Kelley.

N.Y.S. College of Ceramics  
School of Theology  
Summer School

Alfred University traces its beginning back to the year 1836 when a pioneer select school opened its doors for the first time on December 5. Thirty-seven students enrolled for the initial 13-week term. The school became a chartered institution of higher education in 1857 and has since taken its place among the leading colleges and universities in the country.

Today, Alfred has an enrollment in excess of 1100 students registered in the various schools and colleges comprising the University. Students come from many of the 48 states and more than 20 foreign countries. The teaching ratio is presently one instructor to every 10 students, which means personalized instruction, counseling and guidance.

The College of Liberal Arts offers opportunities for the Bachelor of Arts Degree with majors in the social sciences, languages, literature, natural sciences, business, mathematics, and fine arts. There are also pre-professional studies for medicine, dentistry, law, veterinary medicine, theology, and engineering. A five-year combined plan in engineering is also offered in conjunction with the School of Engineering at Columbia University.

The College of Ceramics offers programs leading to the Bachelor of Science Degree in the field of ceramic engineering, ceramic technology, and glass technology. The Bachelor of Fine Arts degree is also awarded in the field of art and ceramic design.

The School of Nursing provides instruction for the Bachelor of Science Degree. The Alfred nursing graduate is eligible to take the New York State Board Examinations for a licence to practice as a Registered Professional Nurse.

The Graduate School is equipped to handle advanced study leading to the Master's Degree in such areas as education, English, history, psychology, sociology, ceramic engineering, glass technology, and ceramic design. The Doctor of Philosophy Degree is available in the field of ceramics. Cooperative plans have been developed with the University of Buffalo and Syracuse University for advanced work leading to the doctorate in education.

The School of Theology offers a Bachelor of Divinity Degree program and the Summer School administers selected summer offerings of the colleges and schools of the University.

## The Yunevich Record At Alfred

Alex J. Yunevich has been coaching football teams at Alfred University since 1937. He has had good teams and bad teams but his overall coaching record is one that is difficult to surpass on any college campus. Entering the 1957 season, the Alfred Football Saxons have won 15 consecutive games as a result of undefeated seasons in 1955 and 1956. But that is only part of the record. The following table will complete the story as it relates the yearly won-lost records of Yunevich-coached teams at Alfred during the past 16 years.

More than anything else, a KitchenAid dishwasher brings you the precious gift of *time*. You have time to be a part of things—family fun and friends-after-the-game—secure in the knowledge that all's well in the kitchen.

Indeed, your dishes could not be in better care. Your KitchenAid is produced by Hobart—another way of saying it's *the finest made*. You'll see the evidence everywhere you turn: The new Timed Spray Cycle that "warms up" tableware and dishwasher interior, clears plumbing lines of cold water before the wash action starts. The easy-rolling, cushion-coated racks that take the guess out of loading. The revolving power wash system that leaves your

tableware *hospital-clean*. The separate blower that dries even fine crystal to perfection.

Yet—wonder of convenience—Hobart has contrived to work all these features into the *standard cabinet width*; you don't give up space you sorely need. By all means, see the new KitchenAid by Hobart. You'll find just the model to go with your kitchen, as surely as it goes with your way of life. And see the new food preparer and the electric coffee mill—they're KitchenAid, too!

See the new KitchenAid! Write The Hobart Manufacturing Co., KitchenAid Home Dishwasher Division, Dept. CFP, Troy, Ohio. In Canada: 175 George Street, Toronto, 2.

## Pete Smith Added to Saxon Staff

From Springfield College and Columbia University comes a new addition to the Alfred University coaching staff, P. O. Smith. "Pete", as he is known to his friends, is a native of Scarsdale, N. Y., and is helping Head Football Coach Alex Yunevich this fall as assistant line coach and scout. His primary duty will come during the winter months, however, when he takes over as head basketball coach at Alfred. When spring rolls around, Pete will handle the reigns of the tennis team. In addition to teaching classes as assistant professor of physical education during the college year, Pete will monitor and direct the men's intramural athletic program at the University.

Pete graduated in 1950 from Springfield College with a B.S. in health and physical education. He received an M.A. degree in 1951 from Columbia.

AU's new coach served last year as freshman basketball coach at Columbia University. He was also assistant varsity basketball coach and freshman coach for lightweight crew. Pete's freshman hoopsters compiled a 14-6 won and lost record during the 1956-57 season.

The 32-year-old mentor coached varsity baseball at Port Chester High School while attending graduate school at Columbia. From 1951 to 1956, he was at Scarsdale High School where he coached soccer, basketball, golf, and junior varsity baseball. He also assisted in track.

During undergraduate days at Springfield College, Pete played varsity basketball and was a high-jumper in track and a goalie in soccer.

COACH SMITH

AU's new coach saw action with the 95th Infantry Division in World War II. Serving from August, 1943 to November, 1945, Pete fought in France, Belgium, Holland, and Germany.

Pete says he is extremely happy to be at Alfred and to be living in this part of New York State. And he definitely prefers the atmosphere of small college coaching. It seems AU and Allegany County are a perfect combination for Coach Smith.

## Small College Football Award Established

A new award to complement the 22-year-old Lambert Trophy will be presented to the Eastern small college football champion for the first time this season. The announcement was made recently by Victor and Henry Lambert, the New York jewelers who established the Lambert Trophy in memory of their father, August V. Lambert, in 1936.

The new award will be known as the Lambert Cup to differentiate it from The Lambert Trophy, which goes to the major college champion of the East. Alfred University falls under the small college classification and is eligible to be considered for the newly established award.

This will mark the first time that small colleges of the East will earn recognition similar to that gained by major college teams. The number of small colleges playing football in the East numbers almost one hundred.

Like the Lambert Trophy competition, the small college champion will be selected by a committee of twelve—consisting of coaches and football writers and broadcasters. They will select the top ten each week during the season and will make their final judgment at season's end in November. The Lambert Trophy was won last year by Syracuse University.
